

LAGD 60/HHT26

Product description	SYSTEM 24 single point automatic lubricator
Package size	60 ml in SYSTEM 24
Grease capability	60 ml (2.03 ff. oz US)
Nominal emptying time	Adjustable; 1-12 months
Ambient temp. range	-20 to 60°C (-5 to 140°F)
Maximum operat. pressure	5 bar (75 psi)
Drive mechanism	Gas cell which produces inert gas
Connection thread	G 1/4
Max. feed line length with oil	1500 mm (59,1 in)
Intrinsically safe approval	II 1 GD Eex ia II C T6 T85° I M 1 EEx ia I
Protection class	IP 68
Rec. storage temp.	20°C (70°F)
Storage life of lubricator (years)	2
Weight approx. (oil incl.)	130 g (4,6 oz)
